

New Release: Exclude IRP Staff from Social Security Number Requirement & Credential Additions

Audience: HDO

Release Date: 3/7/16

ShiftWise is excited to announce the release of a new feature!

- **Exclude IRP Staff from Social Security Number Requirement** – Previously when you had Social Security requirements enabled for Supplier staff, IRP staff were included in the requirement. Now you can exclude IRP staff from your Social Security Number requirement settings.

If you would like to discuss this feature further, please reach out to your Account Manager or to our Customer Support team at:
